

Accu- Engraver 3

€ 28.332,-

Accu-Engraver 3 is the efficient technology for marking your seals up to 726 mm OD. Based on laser technology, with a speed up to 3550 mm/sec (140 in./sec) and a marking area of 726 x 436 mm (29 x 17 inches), Accu-Engraver 3 guarantees excellent marking results in no time. Extensive test runs confirmed the outstanding performance of the Accu-Engraver.

The Accu-Engraver 3 gives you the following advantages:

- ➔ fast, accurate and lasting marking
- ➔ no airborne dust or environmental hazards
- ➔ professional appearance of your products
- ➔ strengthens your market position – brand awareness
- ➔ differentiates you from your competitors

Accu-Engraver 3

Technical Data

Accu-Engraver 3

Type	Flatbed, Co2, laser class 2
Power	12 W
Cooling of laser tube	Air
Dimensions engraver	1090 x 890 x 590mm (WxHxD) (43 x 35 x 23 inches)
Engraving surface	726 x 436mm (29 x 17 inches)
Max. engraving speed	3550 mm/sec (140 in./sec)
Software	included
Power supply	220 V
Laser pointer	included

Exhaust + Filter System "Mistral"

Description	Solid housing, easy access to filters
Filter equipment	Filter bag, particle filter, active carbon
Motors	1,1 kW
Exhaust power	280m ³ / h
Dimensions	365 x 681 x 1240mm (WxHxD) 14 x 27 x 49 inches
Weight	100 kg
Power supply	220 V

Software

The laser engraver comes with a state-of-the-art software package.
The list below gives you an idea about its efficiency:

- ➔ Intuitive operation
- ➔ Quick Print + Auto positioning
- ➔ Save pre-defined jobs you engrave regularly
- ➔ Specific engraving parameters for different materials can be saved
- ➔ Several possibilities of positioning - markers, coordinates, guidelines, etc.
- ➔ „WYSIWYG“ – the software shows you how the finished engraving will look like

The Seal Maker Software function well already with minimal requirements: PC min. 1GHz, 256MB RAM, Monitor, Win XP Home, Optional Win XP Professional

Laser pointer

The red dot shows exactly where you start to engrave the material.
The best way to position difficult engraving jobs!
